#### I. Funding Opportunity Description

Purpose of Program: The Training and Advisory Services

Program is authorized under Title IV of the Civil Rights

Act of 1964, 42 USC 2000c - 2000c-2, 2000c-5, and

regulations at 34 CFR Parts 270 and 272. This program

awards grants through cooperative agreements to operate ten

regional equity assistance centers to enable them to

provide technical assistance and training, at the request

of school boards and other responsible governmental

agencies, on the preparation, adoption, and implementation of plans for the desegregation of public schools -- which in this context means plans for equity (including desegregation based on race, sex and national origin), and in the development of effective methods of coping with special educational problems occasioned by desegregation.

Invitational Priorities: This competition includes four invitational priorities. For FY 2008, these priorities are invitational priorities. Under 34 CFR 75.105(c)(1) we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

The invitational priorities are:

# Invitational Priority One:

The Secretary is interested in projects that make available to school boards and other responsible governmental agencies technical assistance activities that advise or assist in addressing the disproportionality or over-representation of minorities in special education and/or the under-representation of minorities in gifted and talented programs, by disseminating technical assistance products, services, training, and other informational resources.

# Invitational Priority Two:

The Secretary is interested in projects that will disseminate innovative resource materials, services, and training to school boards and other responsible governmental agencies that address successful strategies to provide all limited English proficient (LEP) students with equitable access to a high-quality education.

# Invitational Priority Three:

The Secretary is interested in projects that will support equity in education by ensuring equal access to well-qualified teachers for all students -- including students who are economically disadvantaged or racial and ethnic minorities -- by identifying and disseminating information, effective strategies, training and/or resources to school boards and other responsible governmental agencies.

# Invitational Priority Four:

The Secretary is interested in projects that will disseminate innovative resource materials, effective strategies, and technical assistance services such as training to school boards and other responsible governmental agencies that promote equity by addressing the special needs of high-risk students including racial and ethnic minorities, including effective approaches to school dropout prevention and reentry programs.

Program Authority: 42 U.S.C. 2000c-2000c-2, 2000c-5,
unless otherwise noted.

Applicable Regulations: (a) The Education Department

General Administrative Regulations (EDGAR) in 34 CFR parts

74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99;

except that 34 CFR Part 75.232 does not apply to grants

under 34 CFR Part 272; and (b) The regulations for this

program in 34 CFR Parts 270 and 272.

Note: The regulations in 34 CFR parts 86 apply to institutions of higher education only.

Regulations section in this notice.

### 6. Other Submission Requirements:

Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

## a. Electronic Submission of Applications.

Applications for grants under the Training and Advisory Services Program, CFDA Number 84.004D, must be submitted electronically using the Governmentwide Grants.gov Apply site at http://www.Grants.gov Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written

statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

You may access the electronic grant application for the Training and Advisory Services Program at http://www.Grants.gov You must search for the downloadable application package for this program by the CFDA number.

Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.326, not 84.326A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date and time stamped by the Grants.gov system later than 4:30:00 p.m., Washington, DC time, on the application deadline date. When we retrieve

your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.
- You should review and follow the Education
  Submission Procedures for submitting an application through
  Grants.gov that are included in the application package for
  this program [competition] to ensure that you submit your
  application in a timely manner to the Grants.gov system.
  You can also find the Education Submission Procedures
  pertaining to Grants.gov at http://eGrants.ed.gov/help/GrantsgovSubmissionProcedures.pdf
- To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get\_registered.jsp).

  These steps include (1) registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself

as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see

http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf). You also must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.
- You must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information-Non-Construction Programs

- (ED 524), and all necessary assurances and certifications. Please note that two of these forms--the SF 424 and the Department of Education Supplemental Information for SF 424--have replaced the ED 424 (Application for Federal Education Assistance).
- You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.
- Your electronic application must comply with any page-limit requirements described in this notice.
- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number.

  (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an EDspecified identifying number unique to your application).

 We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical

Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk

Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m.,
Washington, DC time, on the application deadline date,
please contact the person listed under <u>For Further</u>

<u>Information Contact</u> in section VII in this notice and
provide an explanation of the technical problem you
experienced with Grants.gov, along with the Grants.gov
Support Desk Case Number. We will accept your application
if we can confirm that a technical problem occurred with

the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system;

#### and

 No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Sandra H. Brown, U.S. Department of Education, 400 Maryland Avenue, SW., Room 3E116, Lyndon Baines Johnson Building, Washington, D.C. 20202-6400. FAX: (202)205-5870.
